Crestmark Bank, a national provider of working capital solutions to small- and mid-sized businesses, has provided the following financing solutions:

- \$200,000 to a Michigan aggregate hauler to accommodate the company's recent growth
- \$1,000,000 to an aluminum scrap metal processor based in Michigan who needed working capital
- \$500,000 to a northern Michigan company who builds conveyor systems for the coal and grain industries experiencing growth
- \$150,000 to a company based in Connecticut, who provides cleaning services to job sites for construction management companies who needed working capital

Crestmark Commercial Capital Lending, a wholly owned subsidiary of Crestmark Bank and located in Baton Rouge, LA, is pleased to announce the recent fundings:

- \$500,000 to a Tennessee supplier of abrasives and cutting tools to manufacturing plants.
- \$100,000 to a saw mill located in Alabama who needed working capital
- \$1,500,000 to a service company who provides 3rd party quality control inspectors. Headquartered in Louisiana, this company had outgrown their original bank line of credit
- \$700,000 to a Florida environmental testing laboratory who needed working capital
